ABOUT US

Alhanoo Group was established since 1985 as an agricultural activity, and two years later a contracting company undertook all road works in Riyadh and its governorates and many governmental and private buildings. In 1998, Al Hanoo Real Estate Company was established, and among its activities was the development of some plans in Riyadh, including the Ain Specialist Project. In 1430, Al Hanoo Trading Group was established, and its activities included importing kitchens, their accessories and electrical appliances. In 1431 a woodworking factory was established with the support of the Custodian of the Two Holy Mosques.

Al Hanoo made considerable steps to evolve, compete and lay new standards in this market, supplying high quality products at the best level of competition prices along with high quality customer services to reach the wide spectrum of the population.

In order to provide our customer with the best services and product Al Hanoo has also launched its business in the field of Kitchen and Wardrobes Projects Department and usually it has caused a shock in the market with ability to compete in a wide range of high quality products at such competitive prices and customer services.

After the initial success we have achieved in this competitive market, we believe that gaining our customer trust, respect and confidence is our next step.

We are looking forward with definite interest to hear from you at your earliest convenience, however we are totally dedicated to answer all your questions assuring you our best attention and cooperation always.
